

BEDAAR PEEDHI (Revival Generation)

Hum Milkar Aaye
(We come together)
Huzuri ke chahne vaale
(Lovers of your presence)
Teri rooh ke chalaye
(Led by your spirit)
Jaayein Duniya mein
(Into all the earth)

Tarana ye lekar
(taking this anthem)
Rajyo ko hum sunaye
(singing it to the nations)
Koi sandhey nahi hai
(there is no doubt within)
Kalisiya kahe
(the church will say)

Hai yakeen
(We believe)
Ye hogi
(This will be)
Bedaari se bhari peedhi
(A generation full of revival)

Jab maange
(when we ask)
Jab dhunde
(when we seek)
Baarish karta hai uddhar ki
(You pour out a rain of salvation)

Jis sansaar se tujhe pyaar
(this world that you so love)
Stuti kare
(Sings your praises)
Har jaati aur har zubaan
(Every tribe and every tongue)
Sajda kare
(falls down in worship)
Hum milkar aaye
(We come together)
Namra Dil tere saamne
(With a Humble heart before you)
Tohbah hai mann mein
(There's repentance in our hearts)
Dua hai Rajya Aaye
(Praying kingdom come)

Hai yakeen
(We believe)

Ye hogi
(This will be)
Bedaari se bhari peedhi
(A generation full of revival)

Jab maange
(when we ask)
Jab dhunde
(when we seek)
Baarish karta hai uddhar ki

(this world that you so love)
Stuti kare
(Sings your praises)
Har jaati aur har zubaan
(Every tribe and every tongue)
Sajda kare
(falls down in worship)

Sab stuti kare
(All people praise)
Sukhi hadiyan jee uthe
(Dry bones come awake)
Ye geet badhta rahe
(this song will keep growing)
Yeshu naam ke liye
(For the name of Jesus)

Sab stuti kare
(All people praise)
Sukhi hadiyan jee uthe
(Dry bones come awake)
Ye geet badhta rahe
(this song will keep growing)
Yeshu naam ke liye
(For the name of Jesus)
