

Revival Generation

Written by Ethan Hulse, Ben Fielding, Brett Younker, Jason Ingram, Matt Redman

We come together
A people of your presence
Led by your gospel
Into all the earth

We'll take your anthem
And sing it to the nations
No reservation
Let your church be heard

We believe
This will be
A revival generation
As we ask
As we seek
You are pouring out salvation
Hear the world that you so love
Sing back to you
Every tribe and every tongue
We worship You

We come together
Humbled here before you
Hearts in repentance
Praying kingdom come

Let the people praise
Let the dry bones come awake
Let the song grow every day
For the name of Jesus
