

SPIRIT AND BRIDE

Written by Jason Ingram, Ben Fielding, Leonard Jarman, Matt Redman

We prepare the way of the Lord
We prepare the way of the Lord Almighty
As surely as the sun is going to rise
He will come again

We prepare the way of the Lord
We prepare the way of the Lord Almighty
As surely as the sun is going to rise
He will come again

Lift up your heads
Look to the skies
The coming King
Be lifted high
We watch and wait
'Til You return
Spirit and bride say, "Come"

We are making room for the King
We are making room for the King of glory
The song of hope we're singing in the night
He will come again
He will surely come

Lift up your heads
Look to the skies
The coming King
Be lifted high
We watch and wait
'Til You return
Spirit and bride say, "Come"

Holy is the One, Holy is the One
Who's coming for us, He's coming for us
Shining like the sun, Worthy is the one
Who's coming for us
He's coming for us

Holy is the One, Holy is the One
Who's coming for us, He's coming for us
Shining like the sun, Worthy is the one
Who's coming for us
He's coming for us
Worthy is the one
Worthy is the one
Who's coming for us
Who's coming for us
He's coming for us

Lift up your heads
Look to the skies
The coming King
Be lifted high
We watch and wait
'Til You return
Spirit and bride say, "Come"

Lift up your heads
Look to the skies
The coming King
Be lifted high
We watch and wait
'Til You return
Spirit and bride say, "Come"
Spirit and bride say, "Come"
Spirit and bride say, "Come"
